## BIOGRAFIA / BIOGRAPHY

(Torino, 1958) Sergio Veglio nasce nel 1958 a Torino, dove vive e lavora. Appassionato d'arte fin dalla giovane età si diploma presso l'Istituto di Arti Grafiche G.B. Bodoni a Torino. All'inizio degli anni '90 si presenta al pubblico italiano con alcune mostre personali e collettive con le sue opere in stile iperreale.

Così come nella sua vita anche nel suo percorso artistico continua a viaggiare controcorrente. Si avvicina al movimento "pop" cogliendo l'attimo della mania verso i selfie trasformando i ritratti in modo artistico coinvolgendo i personaggi che fanno parte del nostro immaginario.

Sergio Veglio was born in 1958 in Turin, where he lives and works. He likes art from an early age and graduated from the Institute of Graphic Arts G.B. Bodoni in Turin. At the beginning of the 90s he presented himself to the Italian public with some solo and group exhibitions with his hyperreal works.

Just as in his life, he continues to travel against the tide in his life as well. Today it approaches the "pop" movement, seizing the moment of the mania towards selfies, transforming portraits in an artistic way involving the characters who they are part of our imagination.
